**MICROSOFT'S UNOPPOSED MOTION TO EXTEND DEADLINE FOR  
INVALIDITY CONTENTIONS**

Defendant Microsoft Corporation (“Microsoft”) moves that the Court grant this unopposed motion.

Microsoft requests that the Court modify the Docket Control Order deadlines for Microsoft to comply with P.R. 3-3 and 3-4(b). Microsoft requests that the deadline for Microsoft to provide Invalidity Contentions (currently due November 30, 2007) be extended until December 20, 2007. Microsoft further requests that the deadline for Microsoft to provide its P.R. 3-4(b) document production (currently due November 30, 2007) be extended such that Microsoft shall begin its P.R. 3-4(b) production on November 30, 2007, ending on December 20, 2007 (without prejudice to Microsoft’s right to move for leave to amend its Invalidity Contentions based on additional prior art).

A Proposed Order is attached to this motion.

Plaintiff VirnetX, Inc. does not oppose this request.

Dated: November 16, 2007.

Respectfully submitted,

It is further ORDERED that Microsoft shall roll out its P.R. 3-4(b) prior art production starting on November 30, 2007 and ending on December 20, 2007 (without prejudice to Microsoft's right to move for leave to amend its Invalidity Contentions with additional prior art).
